

Fitness Guru
November 21 meeting notes

In progress

Chatbox- as of now it returns the callander prompt. Working on the workout generator.

Callander- has been implemented in, working on having the generated workout be added to the calendar and being displayed. Be able to select a week to give more detail on the workout.

Bio page- updating bio info needs to be implemented

Tests- need to be created and automated runs

-DUE THURSDAY AFTER THANKSGIVING-
